PUBLIC HEARING WITH COVINGTON PLANNING COMMISSION
WORK SESSION
TUESDAY, DECEMBER 02, 2025**

The Council for the City of Covington held a joint public hearing with the Covington Planning Commission on **Tuesday, December 02, 2025**, at **6:00 PM** in the Council Chambers of City Hall located at 333 West Locust Street, Covington, Virginia. Following the public hearing Council held a regular session at 6:30 PM and immediately went into a closed session after meeting closure.

A Public Hearing was held for The rezoning request of Newco Inc. for property located on East Cherry Street, Covington, Virginia. The request seeks to rezone Lots 5 and 6 of Block 43, and Lots 27, 28, and 29 of Block 44, from C-3 (General Business) to M1 (Light Industrial). The purpose of the request is to allow the property to be used as contractor laydown yards and for employee parking.

The Public Hearing was opened at 6:00PM by Mayor Fred F. Forbes III. Mayor Forbes asked City Clerk, Amber Berberette to show all Council Members in attendance with the exception of Vice Mayor Raymond C Hunter. Mayor Forbes then handed the Public Hearing over to the Covington Planning Commission.

Covington Planning Commission Chairman Jerry Morgan opened their portion of the Public Hearing with requesting their secretary Samantha Herald, to take attendance. The Planning Commission members who were in attendance were; John "Jay" Crowder, Gene Mundy, Wayne Lamb, and Chairman Jerry Morgan. With the exception of Vice Chairman Charles "CW" Smith. Also, in attendance were Eric Tyree, Building and Zoning Administrator.

Chairman Morgan called up Mr. Tyree, to give information on the background of the area. Mr. Tyree advised that this area is currently under a mixture of residential, commercial, and light industrial uses. The comprehensive plan for the area indicates that for the future of this area to transition into a transitional mix use area. Mr. Tyree read the definition of "Transitional Mix Use Area" from the comprehensive plan which says "There are numerous areas that contain a mix of residential, commercial, and small industrial uses. This mix of uses creates a unique dynamic that warrants its own classification. The intended use of this designation is to identify the areas that should be allowed to transition to higher intensity uses overtime. Specifically, the city should seek to encourage residential uses to transition to a compatible service, retail, low intensity and low impact industrial uses." Mr. Tyree concluded his report.

Chairman Morgan and Mayor Forbes officially called the public hearing open at 6:05PM.

Chairman Morgan called up the applicant Newco Inc. to address the assembly. Mr. Tom White representative for Newco Inc. informed the assembly that Newco Inc. recently acquired the Cherry Street lots and plan to use the lots to store laydown materials and employee parking. They are willing to restrict parking if needed and erect privacy screening.

Chairman Morgan opened the public comments portion of the public hearing. There are two speakers signed up to address the assembly. Chairman Morgan called up the first citizen speaker, Mr. Augustine Penn who resides at 325 E Cherry St. He isn't for or against the rezoning request, he has multiple questions and concerns. Mr. Penn resides beside one of the lots. He advised that he is concerned that when they park in the grass that there will be a mess of mud and issues caused to the sidewalks. He is also concerned about an increase in noise.

Second citizen Charles Anderson, 423 West Locust St. addressed the public hearing. He advised that he doesn't live in the area and he still has concerns about the rezoning request. Mr. Anderson advised that he is concerned about storage of hazardous materials. Mr. Anderson stated that he is against this and doesn't think this belongs in the City. Mr. Anderson asked if they are currently using the area. Mr. White informed Mr. Anderson that Newco has currently be in operation on other lots. These are new lots that they are seeking rezoning requests for. They are currently not using the lots outside of what it is currently zoned for. Mr. Anderson concluded his statement portion. Chairman Morgan closed the public comment section.

Chairman Morgan invited Mr. White back to the podium to answer questions from the Covington Planning Commission and Covington City Council.

Mr. Mundy asked, Does Newco plan to do any Worksite prep on these lots? Examples given by Mr. Mundy; assemble, cut, build out on the lay down yard? Mr. White advised that this will not be done on the lot.

Mr. Mundy said that should keep the noise down.

Mr. Mundy asked if there will be hazardous materials stored on these lots. Mr. White advised no.

Mr. Mundy asked roughly how many employees will be parking on these lots. Mr. White advised the whole company has 50 to 60 employees. The area has already been used for parking. They do not need the whole lot as parking because they already have other areas used for parking. They want to use this as overflow parking.

Mr. Crowder asked if Newco Inc. will be making a plan to lay asphalt. Mr. White advised they will put gravel down in the lots. Mr. Crowder asked what about sidewalks and curbs. Will there be vehicle traffic over sidewalks? Mr. White advised they would fix any damage and would be willing to consider a curb cut in those areas that may be used for traffic.

Chairman Morgan asked how much of the parking lot does Newco Inc. plan to fence. Mr. White said that Newco Inc's intention is to install screening between lot 6 and the adjacent lots to lot 6. They also have plans to install screening between lot 27 and the adjacent lots to lot 27.

Chairman Morgan asked if they plan to install any security lighting. Mr. White advised that at this time Newco does not plan to install any lighting but can if it is required. Chairman Morgan advised that he would prefer to keep it without adding additional lighting to the area to reduce light pollution to the residents in the area.

Chairman Morgan informed Newco that Planning Commission's concern is that if this rezoning request is granted would they work outside of the zoning? Newco advised they would not. That they would submit another application in the future if needs of use changes.

Mayor Forbes asked if there will be issues with mud and sidewalks damaged. Mr. White advised there will be gravel laid down to reduce the mud messes.

Mayor Forbes asked about an increase in noise from the area. Mr. White advised these are just to lay down materials and for parking. Noises outside of this should not increase.

Mayor Forbes asked if there are late night deliveries that could disturb the neighborhood. Mr. White advised no and that they do have employees who work overnight but there wouldn't be any deliveries or anything major done outside of normal business hours.

Councilwoman Wolfe asked if the materials will be seen by the public when they drive by. Mr. White advised that they will be on the lots that set back off of Monroe. Mr. Tyree advised that within 500 feet of a residence, that it is required by city ordinance to install a screen around the materials.

Councilwoman Crowder asked for clarification, if the original parking lots are already zoned for parking, why is Newco seeking for the lots to be zoned for parking? Mr. White advised that they are not seeking to rezone the original lots. They are already zoned appropriately. That they are just requesting to rezone the two new lots that are adjacent to Cherry.

Mr. Crowder asked if they anticipate an increase in vehicle traffic. Mr. White advised no, that there isn't a plan to have the need for an increase in traffic. These areas will strictly be used to for storage.

Mayor Forbes asked if they do have any spills that they would clean it up. Mr. White advised they would clean up any spills and log them appropriately.

With no other questions coming from Covington Planning Commission and Covington City Council, Chairman Morgan closed the public hearing at 6:25PM.

Covington Planning Commission voted for the rezoning request with the following roll call votes: Mr. Lamb made the motion to approve the rezoning request of Newco inc. The request seeks to rezone Lots 5 and 6 of Block 43, and Lots 27, 28, and 29 of Block 44, from C-3 (General Business) to M1 (Light Industrial) with the following contingencies, no change in use outside of current zoning without prior approval, light pollution is reduced if any new lighting is installed, and screening will need to be installed to reduce visibility. Mr. Crowder second the motion. Roll call vote as follows. Mr. Crowder; For, Mr. Mundy; For, Mr. Lamb; Abstained and Chairman Morgan; For.

Chairman Morgan turned the meeting over to the Covington City Council. Mayor Forbes advised that this rezoning request is under Vice Mayor Hunter's district. With Mr. Hunter absent Mayor Forbes motioned to table Covington City Council's vote until the regular Covington City Council meeting that is scheduled for Tuesday December 09, 2025. To include Mr. Hunter on the vote. Councilwoman Crowder seconded the vote to be tabled until the next meeting. Followed by a roll call vote. Councilwoman Crowder; For, Councilman Goff; For, Councilwoman Wolfe; For. Covington City Council will make a vote on the Newco Inc's rezoning request on December 09, 2025.
