### Additional Information

We will continue to push out information to community partners and local Emergency Coordinators as appropriate.

Reminder to ALL our localities that we activated our Health Department Operations Center (HDOC) is virtual today, if local officials need assistance they can contact 540-682-6237. The phone numbers for the HDOC are 540-204-9922, 540-204-9923, 540-204-9924, 540-204-9925. Localities, government agencies, and community partners may contact the HDOC or work through their Emergency Managers when contacting the HDOC.
